Dear Parent/Carer,

Re: Year 11 Progress Review November 2020

We would like to thank you and your child for their dedication and effort during the first half term of this new academic year. The return to academic life has been exciting and challenging and we recognise the resilience and determination shown by our Year 11 students.

Traditionally we would be preparing to welcome you all into the school building in person to conduct our Progress Review Evenings but, under current government guidance, we are not able to administer these in the same way. We have devised a process that we hope will allow you to be informed of your child's progress in all subject areas and to give advice on the areas your child needs to focus on to ensure exam success at the end of this vital year of study.

In the week commencing Monday 2nd November you will receive an email with a copy of your child's Progress Report. This report will give you information for each subject with an Attitude to Learning score, current grade and end of course predicted grade.

From **Monday 9th November** to **Monday 23rd November**, each of your child's subject teachers will contact you, via the phone numbers you have provided, for a brief conversation about how well your child is progressing in their subject area. Please ensure that we have your most up to date contact details to facilitate this process. If you need to let us know of any recent changes please update your details via the SIMS Parent App, contact the school reception on 0113 271 9962 or email info@cockburnschool.org

We very much believe that the link between home and school is vital to ensure student success, never more so than at the present time and hope that all parents and carers engage in this process to ensure the best possible outcomes for our students.

Thank you again for your support.

Yours sincerely,

Mr R Dixon
