

COCKBURN SCHOOL

Specialist status in the Performing Arts

Executive Headteacher Mr D Gurney BA (Hons) / NPQH / NLE
Head of School Mr R Dixon BSc (Hons) / NPQH

4th December 2020

Dear Parent/Carer,

Re: Year 10 Key Assessment Point November 2020

We would like to thank you and your child for their dedication and effort during the first term of this new academic year. The return to academic life has been exciting and challenging and we recognise the resilience and determination shown by our Year 10 students.

Traditionally we would be preparing to welcome you all into the school building in person to conduct our Progress Review Evenings but, under current government guidance, we are not able to administer these in the same way.

In the week commencing Monday 7th December you will receive an email with a copy of your child's Progress Report. This report will give you information for each subject with an Attitude to Learning score, current grade and end of course predicted grade. We hope that you find time to discuss this with your child.

Please ensure that we have your most up to date contact details to facilitate this process. If you need to let us know of any recent changes please update your details via the SIMS Parent App, contact the school reception on 0113 271 9962 or email info@cockburnschool.org

If you have any specific queries or concerns about you child please contact either their Director of Year, Mrs Culkin or Head of Year, Mr Chapman using the contact details above.

This year, students have been shown how to access all of their home learning via our 'Frog' online learning platform. Students log into their Frog account and have access to all home learning work that staff have set for them. This platform is also used by staff to set work for students who are self-isolating due to COVID-19. The frog page features a link to a detailed parent/carers guide to home learning. Information, and the link to the frog platform can be found on our website: www.cockburnschool.org/home-learning

This online learning resource features subject email addresses and guides students who have any subject specific questions or queries directly to these. Please note that these subject inboxes are monitored during school hours only and can take up to 48 hours to respond. If parents and carers have any subject specific questions regarding your child's home learning then please email info@cockburnschool.org marking your email 'Learning Question' and this will be forwarded to the relevant department/member of staff.

Thank you again for your support.

Yours sincerely,

Mr R Dixon
Head of School
