Dear Parents/Carers,

Re: Update on the timings of the school day for our vulnerable / children of critical workers

I would like to thank you for your support during these challenging times. We have worked hard to adjust our working practices for students attending school whilst providing for students accessing remote learning.

From **Monday 11th January 2021** we will be making some slight adjustments to the running of the school day now that we have a clear idea of the number of students attending our critical worker/vulnerable provision.

Students in all year groups will now start at **8:50am** and finish at **2:45pm**.

Students will also now share one break time and one lunchtime. I would like to reassure parents and carers that the numbers of students attending school will allow us to continue to maintain social distancing and operate year group bubbles during social times. These expectations will be clearly communicated with students and closely monitored by duty staff at all times and our school risk assessment has been thoroughly reviewed to remain Covid secure.

Once again, I thank you for your support during this difficult time and we hope that all of our community are able to stay safe and well.

Thank you for your cooperation and support

Yours sincerely,

Mr R Dixon
