Dear Parent/Carer,

## **RE: Session 7 for Year 11 students**

As you are aware your child has entered their final examination year at Cockburn School, which I am sure will agree is central to their academic progress and future career aspirations.

In order to help your child with this crucial year, we have organised a Session 7 programme to help and support them during this time.

Session 7 will form part of their revision timetable, where they will be required to attend different subjects for extra support. These sessions will run between 2:55pm and 3:45pm on every week night, with the first sessions commencing on the week beginning 12<sup>th</sup> September 2022.

Each fortnight, the students will receive an updated timetable in the form of a sticker in their planner. This will give the students a schedule that they must attend for that coming fortnight. This will allow us to ensure your child is in the right place and accessing additional learning which is on offer. If your child has a blank space on a selected day, they will be free to leave the site at the normal time.

If your child fails to attend the required session without reason, then the school policy will be followed with a sanction of 6 units in our inclusion room. However, as well as extra revision and preparation, Session 7 is also an excellent opportunity to help gain additional reward points to use towards payment for the Year 11 Prom.

If you have any questions or would like to discuss the revision schedule further please contact myself or the Head of Year.

Yours Sincerely

Mr P Reading  
Director of Year 11
